

Camille Walker Banks is a visionary executive and transformative leader in economic and community development. Previously, as Executive Director of LISC Detroit, Camille guided multi-million-dollar fundraising and investment efforts that advanced equitable development and revitalization across Detroit neighborhoods.

Her leadership extends to roles with NPower, Goldman Sachs 10,000 Small Businesses, and the Michigan Economic Development Corporation, where she built partnerships connecting entrepreneurs, employers, and communities to opportunity. A Wayne State University alumna, Certified Economic Development Finance Professional, and Harvard certified Leadership and Executive Coach, Camille is an award-winning changemaker and global speaker dedicated to advancing equity, innovation, and inclusive economic opportunity.

She is deeply committed to empowering Oakland County's business community to thrive in a dynamic and evolving economy and takes great pride in leading the exceptional, high-performing team at Oakland Thrive.
